

CURRICULUM VITAE

LUDMILLA BRONFIN, M.D.

ADDRESS: 650 First Avenue, 7th Floor, New York, NY 10016
Telephone 212 532-6298, Telefax 212 532-3308

PERSONAL: Birthdate: July 17, 1964
Birthplace: Moscow, Russia
Citizenship: USA

EDUCATION:

Postgraduate Training 1996-97 Clinical Neurophysiology Fellowship
New York University Medical Center, Hospital for Joint Diseases, New York, NY

1993-96 Neurology Residency
New York University Medical Center, Bellevue, Veteran Administration Hospitals, Hospital for Joint Diseases
New York, NY

1992-93 Transitional Residency
Michigan State University- E.W. Sparrow Hospital
Lansing, Michigan

1988-89 Pediatric Neurology Postgraduate Training
2nd Moscow Medical Institute
Moscow, Russia

Medical: 1982-86 2nd Moscow Medical Institute (named after N. I. Pirogov)
Moscow, Russia

1988 M.D. degree with honors
Thesis: "CT-scan findings in newborn with seizure activity" 32 pp.

Premedical: 1971-81 Secondary School #654, Graduated with honors.

BOARD CERTIFICATIONS:

1993 State Medical Board of New York, licensure 199889-1

1998 American Board of Psychiatry and Neurology, Diplomat in the Specialty of Neurology, Certificate No. 44884

1999 American Board of Psychiatry and Neurology, Diplomat in subspecialty of Clinical Neurophysiology, Certificate No. 1003

1999 American Board of Electrodiagnostic Medicine, Certificate No.2478

2008 American Board of Psychiatry and Neurology, Diplomat in the Specialty of Neurology, Certificate No. 44884, Recertification

2009 American Board of Psychiatry and Neurology, Diplomat in subspecialty of Clinical Neurophysiology, Certificate No. 1003 Recertification

ACADEMIC APPOINTMENTS:

2002-present Assistant Professor (Clinical) of Neurology
New York University School of Medicine
1997-2002 Instructor in Clinical Neurology
New York University School of Medicine

HOSPITAL APPOINTMENTS:

2010-present Attending Physician, Bellevue hospital Neuromuscular Clinic
1997-present Assistant Attending, Department of Neurology, New York University Medical Center, Tisch and Bellevue Hospitals, New York
1997-2001 Attending Physician, Muscular Dystrophy Association Clinic, Rusk Rehabilitation Institute.

ADMINISTRATIVE APPOINTMENTS:

1999-present Medical Consultant, Group Health Incorporated (GHI)
1997-2001 Associate Director, Dysautonomia Treatment and Evaluation Center, NYU Medical School
2000-present Interdisciplinary Pain Management Committee, New York University School of Medicine
2000-present Brain Injury Society, Medical Advisory Board

HONORS:

1993 Outstanding Resident of the Year Award, Michigan State University- E.W. Sparrow Hospital
1992 Instructor in the Department of Medicine
Michigan State University
1987 Second Prize for research in Neurology

PROFESSIONAL SOCIETIES:

American Headache Association, Active member since 2001
American Academy of Neurology, Active member since 1995.
American Association of Electrodiagnostic Medicine, Fellow Member since 1998.
American Autonomic Society, 1997
Familial Dysautonomia Foundation, 1997
World Muscle Society, 1998

RESEARCH INTEREST:

Headache and Clinical Neurophysiology

RESEARCH:

- 2006-Present A Phase 2, open Label, multi-center study evaluating the efficacy, safety and pharmacokinetics of GENZ 112638 on Gaucher Type I patients. Principal Investigator Dr. Gregory M. Pastores.
- 2006-Present Protocol OGT 918-011. A Phase IV, open label, non comparative, multi-center study to evaluate the long term efficiency, safety and tolerability of oral miglustat as a maintenance after a switch from Enzyme Replacement therapy (ERT) in adult patients with stable type 1 Gaucher Disease. Principal Investigator Dr. Gregory M. Pastores.
- 2002-2005 Randomized controlled study of OGT-918 in adult patients with GM2 Gangliosidosis, Principal Investigator Dr. Gregory M. Pastores.
- 2002-2005 Phase II Monotherapy Study of Open-Label OGT-918 in adult patients with Type 1 Gaucher disease. Principal Investigator Dr. Gregory M. Pastores.
- 1998-1999 Research participant in a phase 3 Multicenter, double blind, placebo-controlled, parallel-group study of the effects of oral zopolrestat in subjects with peripheral, symmetrical, diabetic polyneuropathy, 1998-1999

PUBLICATIONS:

- 2010 Neuromuscular disorders chapter p.383-409
Medical Aspects of Disability 4th edition
- 2005 Neuromuscular disorders chapter p.383-409
Medical Aspects of Disability 3rd edition
- 1998 Wisner M, Bronfin L, Axelrod FB. Assessing microcirculation in Familial Dysautonomia by Laser Doppler Flowmeter.
Clinical Autonomic Research, 8; 13-23.
- 1996 Younger DS, Bronfin L. Overview of Diabetic Neuropathy. Seminars in Neurology 1996;
Vol. 16 Number 2

- 1988 CT-scan findings in-group of newborn with seizure activity.
Second Medical Institute Journal
- 1989 Neonatal Seizure. Medical Literature Review.
Journal of Neurology and Psychiatry.

ABSTRACTS AND PRESENTATIONS:

- 2010 NYU CME Program, "NYU HJD Comprehensive Spine Course" Neurological Diagnoses that mimic Spinal Disorders.
- 2009-present Acorda Therapeutics Physician speaker program, Zanaflex capsules.
- 2008 Catamenial migraine internet learning course.
- 2006-present NYU School of Medicine. Department of Anesthesiology. Fellowship Program. NYU Pain Management Center. Neuromuscular disorders course.
- 2008-2006 Bronfin, L. Problem-based Learning Discussion Workshop. Headache. "NYU Current Review of Pain Medicine".
NYU School of Medicine CME course.
November 2006.
- 2006 Advance Science Selective in the Neurobiology of pain
June, 2006. Treatment of migraine headache.
- 2005 Bronfin, L. Problem-based Learning Discussion Workshop. Headache. "Pain Management Strategies for the Primary Care Practitioner".
NYU School of Medicine CME course.
November 2005.
- 2005 Targeting therapy for migraine.
Advance Science Selective in the Neurobiology of pain
July 1st, 2005
- 2003 Bronfin, L. Problem-based Learning Discussion Workshop. Headache. "Pain Management Strategies for the Primary Care Practitioner".
NYU School of Medicine CME course.
November 2003.

- 2002 Bronfin, L. Headache. Problem-based learning discussion workshop. Pain Management Strategies for the Primary Care Practitioner. NYU School of Medicine CME course. November 2002
- 2002 Bronfin L. Postherpetic Neuralgia. Clinical Evaluation and treatment. Preceptorship on Neuropathic Pain. May 30, 2002.
- 2002 Bronfin L. Diagnosis and Treatment of Chronic Headaches. Grand Rounds. Department of Rehabilitation Medicine. February 2002
- 2001 Bronfin L. Advances in headache management. Pain Management Strategies for the Primary Care Practitioner. NYU School of Medicine CME Course. November 2001
- 2001 Chronic lower back pain. Pfizer Pain Preceptorship Meeting. Round table discussion. July 2001.
- 2001 Bronfin L. Localization of the pain. Neurological approach to pain. Pfizer Pain Preceptorship Meeting. February 2001.
- 2000 Bronfin L. Localization of the pain. Presented at the Pfizer Preceptorship Day. September 2000.
- 1999 Wisner M, Axelrod FB, Bronfin L. Assessing beta adrenergic function in familial dysautonomia. AAN Scientific Program.
- 1998 Hiltz M, Axelrod FB, Bronfin L. Valsalva Maneuver demonstrates Cerebrovascular Autoregulation in familial dysautonomia patients during Supine Position. AAN Scientific Program.
- 1998 Wisner M, Bronfin L, Axelrod FB. Assessing microcirculation in Familial Dysautonomia by Laser Doppler Flowmeter. Autonomic Meeting Presentation
