

Pharmacy Information

With the installation of Epic, the new electronic medical record system, at this practice, your doctor is now able to e-prescribe. This means that any prescriptions the doctor may give you today will be automatically routed to the pharmacy of your choice and we will no longer have to provide you with handwritten prescriptions. In addition, when you run out of refills on your medication, the pharmacist can now electronically send renewal requests to this office for approval.

****Note:** Controlled medications are not eligible for e-prescribing.

Please complete the information below if you are interested in e-prescribing.
